

MPLC Tutors looking for more Helping Hands By Olivia Garner

If you are looking for an opportunity to serve the children in Racine, please consider our tutoring program. This past school year we had eight tutors, four at West Ridge Elementary School and four at Giese School.

Collectively, we tutored 31 students for a total of 222.5 hours!

Tutors are provided with a lesson plan, materials, and training to work with first, second or third grade students in reading or math. *No experience is necessary.* You can choose to tutor a half hour or up to two and a half hours per week during regular school hours. Racine Unified does require a background check.

Please contact Olivia Garner with questions or to sign up as a tutor, at 262-884-9003 or 262-497-5584 and please leave a message or e-mail odg58@yahoo.com. We would love to add tutors to our program!

Or, please feel free to talk to any of the tutors listed below -- all of whom have volunteered for two or more years.
