

## Mount Pleasant Lutheran Church Mission Endowment Fund Application for Funds

The Mt. Pleasant Lutheran Church Mission Endowment Fund was established to enhance the mission outreach of the congregation above and beyond the general operation of the congregation. The MPLC Mission Endowment Fund provides a way to honor loved ones or to establish a legacy of giving that supports God's mission beyond one's regular offerings through MPLC.

Requests for grants from the Fund will be considered that are aligned with the mission and priorities of Mount Pleasant Lutheran Church, specifically in these categories:

1. **MPLC Ministries:** seed money to establish new programs, ministries, or special projects of Mount Pleasant Lutheran Church;
2. **Promotion of Education:** such as, but not limited to, scholarships for seminarians, students at ELCA (Evangelical Lutheran Church in America) colleges and universities, and study programs;
3. **Church-related Missions beyond the congregation:** benefiting local, national, or global mission work.

The Mission Endowment Fund Board will consider requests in the following order of priority:

1. Requests from one of MPLC's pastors.
2. Requests from a MPLC member or group for use within the congregation.
3. Requests from a MPLC member or group for use in the local area of southeastern Wisconsin.
4. Requests from a MPLC member or group for use outside of southeastern Wisconsin.

The Board will deny requests from non-MPLC members received without the endorsement of a MPLC member or group. Endowment funds are not intended to fund items normally included in MPLC's operating budget.

If you feel your request fits the criteria outlined above, please complete the application on the following page and send all requested materials to "Mission Endowment Fund Board" at the church address.

Application deadlines for grant funds are April 30<sup>th</sup> and October 31<sup>st</sup>. Applications will be reviewed in the month that follows, and distributions made by late June and December.
