

## How to Host the Worship Livestream

### Mount Pleasant Lutheran Church

Thank you for being a host for our livestream! The host serves as a human connection to those who are worshiping online. The host is like greeter and usher. Thank you!

1. Log in to facebook / worship service by 8:25 AM
2. Introduce yourself, "I'm \_\_\_\_\_, a member of MPLC and I'll be hosting the comments for worship today. Thanks for joining us!" (It's also helpful if your profile picture is of you so people can put a name with a face)
3. Welcome folks / say hello / glad you're here, etc.
4. Post reactions (usually a "like" to all who say hello in the comments)
5. Say hello/ welcome again after a few minutes for those who log in later.
6. Post comments when appropriate (use your discretion) For example, thank the choir/bell choir or other special music for the beautiful music; or congratulate confirmands/special recognitions, installations, etc. when applicable.
7. "like" or "love" comments about the sermon (so far they have all been positive!) 😊
8. Prayers – if people post names of folks to pray for, give them a "care" emoji.
9. During offertory you can post a link to the "give" give page: <https://onrealm.org/mplc/-/form/give/now>
10. When pastor talks about completing a "Connect Card" online, post a link to our website: <https://spaceshipchurch.org>
11. During closing hymn, towards the end, wish folks well / God's Peace / Go in Peace, etc...
12. If someone posts anything derogatory or inappropriate, don't engage with them and let a pastor know about it.
