

**Requirements for joint
Mount Pleasant Lutheran Church and Lutheran Church of the Resurrection
Confirmation Program**

Worship Attendance

Regular worship attendance (online or in person) is expected of all confirmation students and their families. Worship Response Forms (WRF's) help ensure that the student is understanding and integrating worship into their lives.

-All Sat/ Sun WRF's and Midweek WRF's are online at

<https://spaceshipchurch.org/confirmation/>

They automatically get sent to Becky Litwin to register as completed. If the student has a question or something that their pastor should see, the forms get forwarded to the child's pastor for response.

-Becky sends out updates in the mail quarterly so the kids know where they stand. However, you can email her at any time (blitwin@mplc.us) if you would like to know how many WRF's your child has completed.

Service Connections

Service connections can be a service project with the church, in the community, through school, etc. It must be hands on service for at least 1 hour. For example, sorting food for a food pantry for an hour would count but donating a can of food would not. If you are unsure of what would count, contact your pastor. When the service project is completed, the student will fill out a form [online](#). There will be one in class service project every year.

LCR confirmation youth are asked to sign up to assist in worship one Sunday per month during the school year. Check with Pastor Kelly for sign up options.
